

Stronghold Census

Using This Census

This mini-zine is for use with DELVE and will help you to flesh out the dwarves that live in your stronghold.

Each page in this census can be used as a dwarf's ID or character sheet and more can be found at <https://blackwellwriter.itch.io/delve-a-solo-map-drawing-game>

Whenever you hire a dwarf or want to bring some character to your hold, you have the choice of creating an ID.
You don't have to do this for every dwarf.

To fill out their ID your dwarf needs:

- 1) A name, made up by you or drawn from the naming lists on the next page.
- 2) A drawing of them
- 3) A bio that tells you about them.
- 4) Their role in the hold. This is their unit type or job.
